NOTES:

1. This schedule refers to major cities in all states.
2. Add one extra day for delivery when there is a statutory holiday involved.
3. We require "notice of intent to ship" by **Thursday noon** for delivery to occur the following week. Faxed copies of all custom documents must be received at Baden International dispatch by **noon Friday**. At the time of pickup, the shipper must provide copies of all customs documents along with the bill of lading.
4. Erb International does all prior notification themselves.
5. Product moving "in bond" through the United States requires special instructions from the shipper and must be shipped by Thursday.
6. Erb International LTL dispatch can be reached Monday through Friday from 6am to 6pm at 800-265-2182
7. Last ship day for Montreal must be Thursday
8. Consolidated orders must be shipped by Thursday.
9. As with all LTL activity, there are outside conditions which are unforeseen and out of our control that can affect our delivery schedule. This schedule is a guideline and we will communicate delivery date changes with the customer if they occur.
